**1st Announcement For 2nd Spring Symposium in Urology
Welcome from The Cyprus Urological Association**

Dear Friends and Colleagues,

I would like to extend a warm welcome to the participants of the 2nd Spring Symposium of Cyprus Urological Association (CAU2017) to be held in April, 28-29th in Limassol, Cyprus.

On behalf of the **Cyprus Urological Association** and the Organizing Committee of the 2nd Spring Urological Symposium (CAU2017), we are delighted to be your host in the city of Limassol.

The Scientific Program selected for CAU2017, is “Current Trends in Modern Urology” and will address the latest developments, trends, scientific research and technological advancements in the field of urology and their impact on health improvement. It will cover topics such as:

- ✓ Uro-oncology (renal and prostate cancer)
- ✓ Endo-urology
- ✓ Laparoscopy & robotic
- ✓ Urethra and reconstructive urology
- ✓ Female urology
- ✓ Andrology and male infertility

The European School of Urology Board will be participating with a high level educational course and additionally an exceptional panel of distinguished international and local faculties will support the comprehensive scientific program. They will discuss and offer cutting edge thoughts on the topics, drawing from their personal experiences and expertise.

In addition, we invite all professionals, researchers and students in the field of urology to submit abstracts to be presented as oral and poster presentations, to promote and encourage educational participation from all levels of medical experience.

Together with a carefully selected Scientific Program and a group of highly renowned Keynote Speakers, we promise you and your guests a unique multi-cultural experience whilst in Cyprus.

Warm hospitality is deeply-rooted in our country and we will spare no effort in making your participation, both professionally and culturally enriched.

We look forward to welcoming you to Limassol, Cyprus!

Dr. Stavros Charalampous MD, PhD, FEBU
