LASER PROSTATE CADAVERIC COURSE

A unique hands on experience to learn techniques in laser prostate surgery using Holmium (HOLEP) and Greenlight XPS PVP (Photo-Vapourisation of the Prostate) Lasers

11th January 2018

Newcastle Surgical Training Centre delivers over 170 advanced training courses from regional, national and international surgeons representing multi specialties. Collaboration with national and international faculty drives a greater understanding of surgical techniques delivering improved patient care.

www.nstcsurg.org
Course Overview

This 1 day course will deliver a mix of top-tips and techniques for using 2 different laser modalities, a discussion on pros and cons of each modality, pitfalls on setting up a laser service as well as edited video techniques for each modality. Invited experts will give their views on their modality. Each participant will have the opportunity over 3 sessions to have hands on experience and training in HOLEP and Greenlight XPS guided by experts in these fields on fresh cadaveric prostates. Simulators and morcellation will also be available.

OBJECTIVES

- Understand the advantages and disadvantages of HOLEP and Greenlight XPS.
- Experience the difference in techniques and laser energy delivery between each modality.
- Have practical hands on training in each modality on cadaveric prostates.
- Train in safe morcellation after HOLEP

COURSE INCLUDES

- High power KTP laser vapourisation (Greenlight XPS) using MoXy saline cooled fibres
- Holmium laser Enucleation of the Prostate (HOLEP)
- Morcellation of prostate tissue

TARGET AUDIENCE

This course is aimed at consultants and senior trainees who are interested in Prostate Laser Surgery, Holmium and high power KTP techniques

FACULTY

Course Director
Toby Page
Consultant Urologist, Newcastle Hospitals

Faculty

- Mr T Aho, Consultant Urologist, Addenbrookes
- Mr J A Thomas, Consultant Urologist, Princess of Wales Hospital
- Mr A West, Consultant Urologist, James Cook University Hospital
- Mr A C Thorpe, Consultant Urologist, Newcastle Hospitals
- Mr M B Shaw, Consultant Urologist, Freeman Hospital

Signed: ____________________________ Date: ____________________________

Please note: The course fee will include: lunch and refreshments. Payment can be made via BACS (automatic bank transfer) by Credit Card, or by cheque payable to Newcastle upon Tyne Hospitals NHS Trust. Full details and registration information at www.nstcsurg.org Please note payment is due at registration to secure your place. Attendance on the course is conditional upon advance payment being received. Refunds cannot be given in the event of your cancellation within two weeks of the course date. The NSTC cannot accept liability for costs incurred in the event of a course having to be cancelled as a result of circumstances beyond its reasonable control. There is an administration charge of 10% (or £50, whichever is greater) of the total course fee. However, within four weeks prior to the start date of the course, the total course fee will be charged unless in exceptional circumstances at the discretion of the NSTC.

While we make every effort to run courses as advertised, we reserve the right to change the timetable and/or the teaching staff without prior notice and to cancel any courses without liability (in which case there will be a full refund of course fees to participant). Note that any consequential losses (e.g. travel or accommodation costs) incurred in such cases remain the responsibility of the booker, and consideration should be made to taking out appropriate travel insurance for any non-refundable costs.
